First California Symposium since 2005
at Creek Hollow Ranch, Ramona, CA

Dr. Gerd Heuschmann, a veterinarian and Bereiter in Germany, is considered to be one of the leading experts in the world on the biomechanics of the horse. His clinics and lectures are structured to benefit all disciplines, not just Dressage.

By describing the basic anatomy and physiology of the horse in his lectures and riding clinics, Dr. Heuschmann will offer biomechanical solutions that encourage the well-being and proper muscle development of the horse. During the practical part of the clinic, he will demonstrate different exercises to achieve balance and throughness for each horse, addressing each horse's individual needs.

Lessons on how to create a balanced and sound Equine Athlete by combining the knowledge of Equine Biomechanics with the principles of Classical Dressage.

Schleese Custom Saddlery provides every clinic rider with a free saddle fit evaluation!

DAILY RAFFLES, SATURDAY NIGHT BBO WITH LIVE MUSIC AT CREEK HOLLOW RANCH,
"CREEK SIDE CAFE" AVAILABLE ON SITE FOR BREAKFAST, LUNCH AND DINNER.
